

**Our Reformation 2017: Becoming Foundationally Evangelical**

Romans 10:9-17 Matthew 9:35-38

1. Do you hope to see again those you love who have passed away?
2. How do we have a sure and certain hope of spending eternity with those we love in the paradise that God has prepared for all who trust in Jesus?
3. How does someone become a saint? How is someone saved?  
The Progression revealed in Romans 10:9-17
  - *If you declare with your mouth, “Jesus is Lord,” and believe in your heart that God raised him from the dead, **you will be saved**. As Scripture says, “Everyone who calls on the name of the Lord \_\_\_\_\_.” Romans 10:9, 13*  
What does it mean to “call on the name of the Lord”?
    - Then Paul asks four questions in verses 14-15a:
      - 1) *How, then, can they call on the one they have **not** \_\_\_\_\_ in?*
      - 2) *And how can they believe in the one of whom **they have not** \_\_\_\_\_?*
      - 3) *And how can they hear **without someone** \_\_\_\_\_ to them?*
      - 4) *And how can anyone preach **unless they** \_\_\_\_\_?*
    - Then Paul concludes, *Consequently, faith comes from \_\_\_\_\_ the message, and the message is heard through the word about Christ. Romans 10:17*
    - Summary of this progression to a saving faith:
